Dear Mrs. Merwin:

Thank-you for your reply to my request for information on your daughter.

Enclosed is a rough draft of her family entry.

I need this information:

1) Stephen's present address
2) Where Stephen was married (city + state)
3) Beth Ann's
    a. date of birth
    b. place of birth (city + state)
    c. father's + mother's names in full (incl. maiden name).
4) Albert M. Comly's date + place of birth. (my form fools everybody.

If you and your daughter wishes, you could give me a brief biography of her and Paul Hallowell! Is he one of the Hallowell's of Standard Pressed Steel?

I worked as Comptoller of S. W. Evans + Son for some years. The mother of the three brothers who owned the Company was a Comly and I believe related to Albert Comly though I could be wrong.

Say hello to Tom for me. Tell him I'm still waiting for an answer to my letter to him.

Best regards,
Merwyn

Dear Merwyn -

This has been a long time coming. I could not supply the information you requested and the form was just returned to me. One reason we waited was that Stephen was married on Sept 27. and I wanted to add his brides' name.. It is Beth Ann (Adair) Any further information you need I will try to supply promptly. I hope what I have written is legible.. I have just had eye surgery and can't exactly see what I am writing.

Sincerely -

Dear Mrs. Merwin:

As you may know, I am preparing the supplement to the Merwin Family in North America.

I came across a letter you wrote to Gaius Merwin in 1977. You said in that letter that Helen Victoria (Merwin) Watson died in August 1976. Could you please tell me the exact date and place of her death?

I have met your son Tom and I shall write him for up-date information on his children. However, I need your help on your daughter's family. I have written her in the past, but never received a reply. Enclosed is a family record form showing all I know about her family. Will you please fill in the spaces marked X? Also enclosed are record sheets for each of your grandchildren. For each one who is married, may I have the infor requested on the forms?

Incidently, your Hallowell grandchildren must become members of the association to be included in Vol.II with their families. This is the rule for persons not born with the Merwin surname.

Your assistance will be much appreciated.

Best regards,

Harold S. Merwin, — died March 30, 1977. His son, Thomas S. Merwin, is moving this week to the address on the other side. He knows I have sent in his yearly dues. I am not sure he will be active in the association, but it might be interesting if he should meet other Merwins. Harold's only sister, Helen Merwin Watson, died last August. There are no other members of his family.

Sincerely - Mary F. Merwin

Hi Cousin —

Nice to hear from you - wife, Rosemary, and I are doing well and hope the same is true with you.

None of my children are married yet, but we are expecting this to change some time in 1989. (???)

As you can see, I am still active with Kurtz Bros, and have no plans to change that situation.

Can't think of any info for "Volume III, and assume Stephen probably told you my mother now lives in ~~Beaver Hills~~ Rydal Park. (For some unknown reason I started to say Beaver Hills, and have no idea why.)

Dear Tom:

Your nephew, Stephen Hallowell, was kind enough togive me your current address so that I might contact you again. If you will remember, I obtained information about you and your family for inclusion in Volume II of The Merwin Family in North America.

We are now working on Volume III. Will you please give me the addresses of any of your children who are now married? I shall contact them and ask them if they would care to have their families in the book.

Are you still with Kurtz Bros.? It has been a long while since I have seen you. Hope all is well with you and yours.

Dear Tom:

A year ago I sent you a copy of your family entry in MFNA and asked for any change you wished to make in it for the Supplement we are writing.

To date, I have had no reply. I'm not surprised since I know you are not interested in this sort of thing. Enclosed is your entry as it will appear in the Supplement unless I hear from you with changes. If you would like to include your biography or fill in any of the blanks, let me know.

Best regards,

Merwyn

Dear Gus:

The publisher of THE MERWIN FAMILY IN NORTH AMERICA recently returned the original manuscript and the photographs which were used to print Volume II.

Returned herewith are the photographs which you submitted for use in the book. Although all possible care was taken, I am sorry to say a couple of them were somewhat damaged.

Not all pictures submitted were used in the book mainly because there was a space limitation. If one or more of yours were not used, please accept my apologies.

Your kindness and generosity in offering your family pictures is much appreciated and they contributed significantly to the attractiveness and character of the book.

Dear Gus: Sept. 8, 1982

Many thanks for the second delinquent list. I have mailed form letters to all persons not born Merwins. About 45 of them.

I finally found the original list – misfiled in with some papers as I suspected. If you would care to send me the dues notice form, I'll be glad to send them out to the rest of the persons on the list. Mailings are now second nature to me). I have a form you sent me previously. Should I use ~~that~~? I can run off additonal copies. Copy I have is enclosed.

Also enclosed are dues payments and an address change.

Thanks for the update on your entry. Don't worry about making changes. If I can swing a word processor, we can make changes up to the "last minute". If I can't get one at a reasonable cost, we'll be forced to wait several months and then refuse any further changes before starting to type. Was offered a machine for \$250/month today. Hoping to do better elsewhere. An ordinary typewriter would cost \$75/month and I think we can afford to pay more for a word processor since it will do the job in less than ½ the time.

On your entry, the + sign means, as usual, that a child is married and their entry is in the next chapter as a parent. So I'm sure I sent Ursula's entry to her for review.

Best regards,

Merwyn

Here is my update.

I have been trying to get the date of his divorce from my son. The best he can come up with is April 1981. He says that he can't find the papers to get the day.

Son Robert is between

addresses as it were. He has left Epping NH but is temporarily in Waltham MA until Sept 30. He is attending computer school and will be looking for a job in October while working at an internship. Perhaps before you go to "press" we will know where he will be and then change his address. OK?

Dear Cousin:

Thank you for the family information you recently sent me. There are one or two remaining problems as indicated by the checkmark below:

(X) Missing bit of information:

Betty J——— Lothrop's middle name?

( ) A short biography is needed. Include schools attended, degrees earned, occupation, military service, civic or church service, etc. (Give full name and location of schools; indicate date(s) of graduation, military service; grades or ranks held; names of companies where employed).

( ) We urged your membership in our association in an earlier letter. Have you sent in your dues? Yes, you will be in the supplement whether you join us or not because you were born a Merwin, but we hope you will give us your support. (Annual dues are $2.00 payable to Miles Merwin Assn.).

Dear Gaius:

Enclosed is my badly battered address list. Please update it as best you can.

Also enclosed are 3 family record sheets showing all I know of your children. When you find time, please add any essential data so we may include them properly in the eleventh generation. I have encircled some items that are missing. Mainly the place things happened.

There is a Donald Fare on the address list. A letter to him was returned "moved" by the post office. I called information at East Grand Rapids. He still lives there, but had an unlisted phone; so, I was unable to contact him. Do you have a current address?

Best regards,
Merwyn

Thank you for your prompt reply to my recent letter. I have you placed now. I know your Uncle Gaius well. I see there is no change in your entry now in MFNA but I do need one thing. That is, a short biography of you and your wife. (Schools, degrees, occupations, etc.)

Best regards,

Dear Merwyn-

Yours Sep. 7 and other correspondence received. Reply delayed as mail was forwarded back here to Florida where we are not established for the winter.

Have forwarded letters to our children, and it will be up to them to continue sending you dues and data. Dont think our elder son will be too interested as the Chater line goes back to Norman days, but Michael Merwin and his wife seemed interested when we saw them in Vermont.

With regard to the back dues I realized that there might be some payments in areas, and sent you in Augus a check for $25.00 to cover all indebtedness. Our family should therefore be paid up for all our children. After this year its up to them. After payment of dues in arreas any surplus can be credited as a donation.

You are doing a wonderful job. I realize how much detail is involved from my directory activities.

With very best regards

Sincerely

Guy Chater

Dear Merwyn,

Thank you for your letter answering my questions. With regard to Gay M. Chrepta what address do you have for her. I have 14 Arnold Ave, Neptune for her mother. Sorry to bother you again about it but I might as well complete it while it is on top of the file.

I am returning Guy Chater's letter to you of 9/18/82 subsequent to yours to him of 9/10. I gather he feels that the $^{\$}25^{00}$ squares things for him and his children. I had used 5^{00} of the $^{\$}25^{00}$ for Mrs. Peter Richmond. After reviewing all the correspondence, I have applied the $^{\$}25^{00}$ as follows:

			Other dues paid (previously)
Guy Chater	81-82 + 82-83	= 7^{00}	80-81
Wm Adams C	82-83	= 5^{00}	–
Mrs. Peter Rich.	82-83	= 5^{00}	80-81 + 81-82
Michael M. C.	81-82 + 82-83	= 7^{00}	–
		24	
		1 contribution	
		25^{00}	

Had you an understanding with him? If not, maybe we should let matters stand.

Your letter enclosing "your bills" arrived today. I will hold this letter until next week when I get to the bank and get your checks.

(over)

Note the deferral of labor.

Your letter to Mrs. Ellsworth is O.K. Trust she will come forward with the additional 3^{00}

I also enclose some new addresses and a new member:

Miss Margaret M. Huddleston (John's sister)

Don't recall whether you knew of this – I had not sent it earlier because he had neglected to give me "Peggy's" full name + address.

I have written Lillian McDorris for a check. No record of the one she says she sent in June.

You are wonderful to ponder through the Elizabeth Sherwin puzzle. It sounds good to me. Hope it quiets Carmichael. If he isn't careful, Elizabeth will come back to haunt him.

That's it for now – Best wishes

Jim

Dear Cousin:

On your family entry for the Supplement to The Merwin Family in North America, I find a couple of missing items:

1) where were you and Jean married? (city + state)
2) we need a brief biography of you and Jean - schools, degrees, occupations, employers, church, civic or military service.
3) to include your family in the Supplement, you must join our association. The annual dues are only $2.00 (please send me a check payable to Miles Merwin Assn.).
4) May I have the mailing addresses of your married children?

Best regards,

Merwyn

Dear Cousin:

Thank you for your family record sheet. You did a great job of completing it.

Apparently your sons William and Michael are unmarried. Please give me their home addresses.

Enclosed is a record sheet for Deborah. Will you please ask her to fill it out for her family?

I would also like a brief biography of you and your husband - occupations, schools attended, awards, etc.

One other point. In order to have your family entry in the supplement, you must become a member of our association. This is easy to do and rather painless. Simply send me a check - made out to the Miles Merwin Assn. - for $2.00 dues and we'll sign you up. The $2.00 annual dues covers you, your husband and unmarried children.

Can you give me the exact date your father died? The genealogy says "about 1959."

Sincerely,

Merwyn

Dear Cousin:

Many thanks for your letter of August 1st.

I had learned of your daughter's death from Robert Skidmore, but was surprised and sorrowed to hear of your husband's passing. He was quite a man and credit to the community. A notice of his death will be included in the next issue of Milestones.

Your bare bones listing of your large family was most appreciated.

I had written to your son, John, at his former address and the post office did not return the letter. I suppose it reached him. Thank you for Mark's address. May I have the addresses of his sisters?

Other addresses I need are:

Dear Cousins:

We wrote to the last address we had for your sister Evelyn and learned from her husband that she had died. Sorry to hear that - she was a young person.

He also said that Seth Merwin died in June of 1988. I suppose that was your father, not your brother. Will you please give me the exact date of his death and the name of the cemetery where he was buried? If you have a copy of a newspaper obituary, I would appreciate that too.

The Seth Thompson Merwins have been loyal members of our Association for many years, and we want to put a notice in Milestones as well as updating their family entry.

Could you give me the addresses of any of the children of Eveyln? I presume some of them are married and we are most interested in contacting them.

Thank you.

Dear Mrs. Merwin:

Back in March, I had written to your son Alan and each of his children requesting information for the Supplement we are writing to The Merwin Family in North America. Since I have had no reply, I called your granddaughter Diane and talked to her and Brian. They were very helpful. (Enclosed is a copy of their finished entry).

Diane told me she had not replied because she understood you were providing information to me on your whole family. If so, you have undertaken quite a task. You have a fine big family.

If you wish to give me the addresses of your children (I have Alan's) and phone numbers, I will be pleased to write them for information. If you prefer to do it, Diane's entry will show you what info I need. I will send you history forms if you wish.

Best regards,
Merwyn

Dear Mrs. Merwin:

We are writing a supplement to The Merwin Family in North America (published 1978). Enclosed is a draft of your family entry as it appeared in that book.

We would like to include in the Supplement a brief biography of Ira Merwin. Would you please tell me where he went to school, his occupation and employer(s); church, civic or military service, etc.

Also, please give me any needed correction of this draft.

Your help will be much appreciated.

Best regards,

Dear Cousin:

Thank you so much for the data you gave me on your brother and yourself.

Enclosed is a draft of your family entry for the supplement based on information you gave me. While I realze it is defficult to remember dates, if you can tell me where you were married (city + state) and about how old you were at the time, we can find out the date. Also, if you can tell me where (city + state) and about when your husband was born, we can find out.

You missed tellig me where Janet was born. I'm sure you know.

You probably feel I am a pest, but it is just so important that your family entry be complete and accurate, I must ask you to help me find the data.

Best regards,
Merwyn

In Remembrance

The Twenty-Third Psalm

The Lord is my Shepherd: I shall not want.
He maketh me to lie down in green pastures:
He leadeth me beside the still waters.
He restoreth my soul: He leadeth me in the
paths of righteousness for his name's sake.
Yea, though I walk through the valley of the
shadow of death, I will fear no evil:
for thou art with me: thy rod and
thy staff they comfort me.
Thou preparest a table before me in the
presence of mine enemies:
thou anointest my head with oil:
my cup runneth over.
Surely goodness and mercy shall follow
me all the days of my life: and I will
dwell in the house of the Lord for ever.

Dear Cousin:

We are, as you may know, in the process of writing a supplement to the Merwin Family in North America, the genealogy published by the Miles Merwin Association in 1978. Our intention is to rewrite the 10th generation and add persons in the 11th, 12th and 13th.

Please review the enclosed information about your family and make any necessary correction or addition. If a family record sheet is enclosed, missing items are encircled or marked with a question mark. Please provide a brief biography of all persons over age 18.

Our association was created to serve Merwins who are descended from Miles Merwin (1623-97). For many years our newsletter Milestones has been published several times a year, reunions of Merwins have been sponsored, directories of Merwins provided and the genealogy was published in 1978. If you are not now a member of our association, we urge your support so we may continue to serve you. Annual dues are a mere $2.00. Please send me a check payable to Miles Merwin Assn.

Sincerely,

Merwyn

Dear Sandra:

I am returning the information that you had received from Sharon Taylor. A number of us have received this solicitation. All we know is that it is a book referred to as a family directory so it is not a genealogy. The sources of her information are not stated and there is no connection with our Association or the genealogical work that we are doing. Anyone interested can only rely on the details of her letter.

With best wishes,

Sincerely yours,

He worked undera german chef and became a chef working in several hotels in Olean, N.Y., Bradford, Pa., and Jamestown, N.Y.. In 1961 hepurchased the Chanticleer Diner in Jamestown where he worked until his death in May 1973. The family then continued to run the restaurant until 1977 when it was sold.

In 1937 he married Alice Christina Salter, a registered nurse, who came from East Barre, Vermont and was educated at Buffalo City Hospital. They have two daughters, Sandra Jean , born August 15, 1941 and Marsha Mary born April 2, 1948.

Sandra is a graduate of Bradford Senior High, where she specialized in accounting, plus one course in accounting at Jamestown Community College. She worked for her father in the restaurant doing cooking, waitress work, plus his books when he was alive and helped the family run the business after his death. She has a great love formany types of music which is quite natural as her father's side of the family has a great deal of musical ability and training. She does some professional singing which also requires her to use her talent for sewing as she must have numerous formal clothes. She works back stage in the local Little Theatre mainly in costumes.

Marsha is a graduate of Jamestown High School, with a BS degree in Education from Buffalo State Teachers and Fredonia College. She teaches English to 7th and 8th graders in Gowanda, New York. There she helps coach volley ball and cheerleaders. As well as teaching she worked in the restaurant on weekends and vacations and after her fathers death she helped the rest of the family run the business. She is a member of the Eastern Star in Hamburg, N.Y. which carrys on family tradition as her father, uncle and grandmother all belonged to different chapters of the various Masonic Lodges. Her pride and joy and the greatest love of her life is her dachshund pup, "Pippy", whois over indulged and loved by all the family.

Dear Cousin:

Charles Merwin tells me he contacted you by phone. As I'm sure he told you, we are writing a supplement to The Merwin Family in North America.

Your entry on page 713 reads:
4297. Ruth Minerva[10] Merwin b. July 3, 1916 in Washington, D.C.; was graduated from Mt. Holyoke College in 1937, and later received a Ph D in Zoology from Chicago University. In 1970, she was working at the Natl. Institute of Health in Bethesda, Md and was living, unmar. in Washington.

If you wish to make any revision in this, please let me know.

I'd like to have your brother's address so I may contact him.

Charles tells me you offered help with your uncles' and aunt's lines. I may take you up on that when I get specific questions together.

Best regards,

Dear Cousin Ted:

As you may know, we are writing volume III of The Merwin Family in North America.

We have Becky Ann's entry from Volume II. But we are wondering about your other daughter Kathy Sue. Has she married since we last corresponded with you in 1981? If so, we would like her address and married name so we might write her for information.

Thank you and best regards,

Thank you for completing the family record sheets promptly and well.

Enclosed is a draft showing how your entry will appear in the 10th and 11th generation chapters.

Since Becky Ann is shown with her family, could you give me some history for her and her husband? Occupations, colleges attended, awards received, etc. Without a bit of biography a genealogy is quite dull.

Dear Mr Buchanan,

Sorry for the delay in answering your letter.

My children were never called either "Rebecca" or "Katherine". Their names always were and I hope will continue to be "Becky Ann" and "Kathy Sue" as chosen by my late wife "Margie".

As "Danny" and "Becky" were not scholastic achievers and I am not prone to lying about things, I think the less said is the better.

Sincerely
Ted Merwin

Dear Cousin:

We need your help in preparing the supplement to the Merwin Family in North America.

Enclosed is a copy of your family's entry in MFNA. Is there any change you feel should be made? Particularly in the personal history section up-dating may be necessary.

If you have children over eighteen years of age, you will find enclosed a Merwin Family Record blank. If your child is married, please complete the family record for him or her and return it to me.

Your help is much appreciated.

Dear Cousin:

Thank you for the family information you recently sent me. There are one or two remaining problems as indicated by the checkmark below:

( ) Missing bit of information:

May I have a reply to my letter of Dec. 5, 1980 asking for a biography of you and Edith?

(✗) A short biography is needed. Include schools attended, degrees earned, occupation, military service, civic or church service, etc. (Give full name and location of schools; indicate date(s) of graduation, military service; grades or ranks held; names of companies where employed).

( ) You overlooked enclosing your check for dues. Your family will not be in the supplement unless you join. Annual dues are $2.00. Please send me a check payable to Miles Merwin Assn.

Sincerely,

Merwyn

Dear Owen:

I finally got around to writing the biographies for you and Jean. It is the same as you provided, but I had to follow a set format we use and ~~bre~~ brief it a bit. Let me know if I goofed anywhere.

You and I rubbed elbows in Italy and never met. I was the Medical Administrative Officer of the First Fighter Group based at Lesina Air Base near Foggia. No doubt our planes escorted you on missions – P38s. I was in North Africa and Italy from August 1943 to December 1945. I went over in the cadre of the 15th Air Force with the 41st Air Depot Group which operated the airfield at Gioia de Colle – If you flew over, you landed there until your unit was assigned to Foggia area. As they say – it is a small world.

Best regards,

Merwyn

S-please ask Owen, Jr. + Edward to
send me their biographies?

Dear Cousin

I am enclosing short biographies for Jean & I. Sorry to be so late, We have asked our Children to complete theirs. We are all thrilled with the Genealogy. I had no idea of the size and amount of work that had to go into it. You and all the others who accomplished this monumental task deserve the accolades of all us other Merwin who contributed nothing. Many Thanks. If you are going to be in the Richmond area sometime please contact us 804-270-6879 or my office 804 748-4561. We would love to have you as our guest.

Sincerely

Owen J Merwin

P.S. The listing of my war decorations is an affront to my modesty but Jean insists it is for posterity.

Dear Cousin:

We need your help in preparing the supplement to the Merwin Family in North America.

Enclosed is a copy of your family's entry in MFNA. Is there any change you feel should be made? Particularly in the personal history section up-dating may be necessary.

If you have children over eighteen years of age, you will find enclosed a Merwin Family Record blank. If your child is married, please complete the family record for him or her and return it to me.

Your help is much appreciated.

Sincerely,

Merwyn
